It is rumored that Senator McDougal, of California, will resign. The Richmond papers contain a debate in the favor of sending commissioners to sue for peace. It also shows that this action has produced a oligarchy, on one side, and congress, representing the people, on the other, which is shaking the

rebel congress, which shows that the committee on foreign relations, to which was referred the peace propositions, reported unanimously in rupture between Jeff Davis and the Richmond whole frame work of the confederacy. Mr. Orr declared that the people were determined that in some form the statesmanship of the country shall be invoked in an honest effort to end the carnival of death by negotiation.
